## BENEFIT PERFORMANCE AT BUTLER TOMORROW MORNING AT TEN O'CLOCK

All is in readiness for the children's matinee to be held tomorrow morning at the Butler theatre, the receipts of which are to go to the starving children of Europe. As stated in the Bonanza a few days ago, Herbert Hoover has arranged with each and every moving picture show house in the United States to give a matinee on February 3 for the relief of the starving children. Jules Smith has donated the film and theatre for this great cause and states that the tickets have been eagerly sought by those desiring to help make the Tonopah event a success. The picture that will be shown is entitled "The Love Net," featuring the little movie star, Midge Evans. Also added to the program will be a two-reel comedy-drama burlesque, entitled, "Dr. Jekyll and Mr. Hyde." Hank Mann will be the chief actor in this offering. The program for the afternoon and evening will be different and Mr. and Mrs. Carter DeHaven will appear in "Twin Beds," from the famous stage play which will give you the best laugh of the year and Pathé News. Don't miss the Pantages vaudeville act on Friday.

## EAST EMPLOYEES HELP FELLOW MAN

CINCINNATI, Ohio, Feb. 2. Since employees of the A. Nash company, a manufacturing concern of this city, voted to take a voluntary vacation if necessary to give work to unemployed, there have been further developments in this business, which is run on the Golden Rule basis. Mr. Nash outlined today the recent steps.

"Business men of Chattanooga, Tennessee, have become so interested in results obtained by application of the Golden Rule to this business that they have subscribed stock to open a Tennessee company. Employees of the Cincinnati factory have bought into ownership to the extent of \$50,000 since opportunity was given them in January. Employees are so much interested in the Golden Rule that they conducted a service in the Cincinnati People's church in January. Arrangements have been made to conduct classes in business management and economics for employees.

"Business has expanded so much since employees presented their petition proposing they take a vacation that a new shop has been opened. This growth has employed a large number of men out of work and with the reopening of activity in the spring, the need of Nash employees stepping out to make room temporarily for others has passed."

## NINE NEW ELKS NOW AT LARGE

Nine candidates were initiated by the Tonopah lodge of Elks, No. 1662, last evening, and this morning are recovering from the effects of being sworn in. The initiatory ceremony was in the hands of the past exalted rulers of the local lodge, the following taking part: Mark R. Averill, Joseph F. Gori, Henry Schmidt, H. H. Atkinson, A. H. Keenan and Elbert O'Connell. After the initiation was concluded the assemblage of 217 members repaired to the banquet room and partook of a "big bird feed," which was enjoyed by all present.

Following are those who are now entitled to the name of "Initiated": William J. Green, Charles H. Evans, Guy W. Roberts, G. D. Wingard, Richard E. Todd, Edward G. Bahten, J. E. McVeigh, R. P. Oliveros and George A. Roberts.

## TONOPAH TEAM TO PLAY YERRINGTONITES

Next Saturday night the Yerrington high school boys' basketball team will meet the local boys in the high school gymnasium. The game promises to be a swift one. Two weeks ago each of the teams went against the Stewart Indians and defeated them. Both of these victories were won by a narrow margin and consequently Yerrington and Tonopah wish to clash to see which has the better team. The Yerrington boys have played several games this season, so of course they have the benefit of superior practice and experience, but the Tonopah boys say they will give them a run for their money anyway.

A good preliminary game has also been arranged between the American Legion team and a town team made up of basketball veterans, who say they are going out to win.

## JOE BUSH FUNERAL THURSDAY AFTERNOON

The funeral of Rock L. "Joe" Bush, will be held from the undertaking parlors of Womacott & Cavanaugh, on Bryan avenue, tomorrow afternoon at 4 o'clock, under the auspices of Tonopah lodge No. 25, F & A M.

## HELP SAVE A LIFE

SPECIAL MOVIE MATINEE AT THE BUTLER THEATRE THURSDAY MORNING, FEBRUARY 3, AT 10 A. M.

FOR THE BENEFIT OF 3,500,000 STARVING CHILDREN IN EUROPE EXHIBITING

## "THE LOVE NET"

A Five Reel Feature and a Two Reel Comedy

These matinees are being given in every Motion Picture Theatre in the United States, at the special request of Herbert Hoover, to whom the Motion Picture Industry of the United States has pledged \$2,500,000, which means the saving of 250,000 lives.

Through the courtesy and co-operation of the Board of Education and Professor Dilworth, 50 school children will canvas the town on Monday, January 31, with the sale of tickets at 25c each.

The gross receipts from every ticket sold goes to this fund, and every ticket purchased helps to save a life of some poor helpless starving child in devastated Europe.

## GOOD PEOPLE OF TONOPAH

When you are approached by the Tonopah school children to purchase a ticket, don't turn them away or close the door in their faces, but purchase as many tickets as possible, and come and see a good show for this great cause to humanity.

Let's all work in putting Tonopah over the top in this great cause, and send word broadcast that the greatest silver camp in the world stands ready at all times to assist in the great work of humanity.

## MOREY JACK IS BEFORE THE COURT ASSAULT CHARGE

Morey Jack, the Hot Creek diver who has caused considerable trouble to the residents of that community, and who was arrested by Deputy Sheriff Clete and Gillan, was arraigned in the justice court this morning. Morey is charged with a statutory offense, it having been alleged he attempted to assault an Indian girl by the name of Rosie Jack, no relation to the redskin now in the meshes of the law. On account of the condition of the Indian girl it was impossible to bring her to Tonopah and the hearing of Morey Jack was postponed until such time as the complaining witness could appear and offer testimony.

It is said that Morey Jack and his son, Tony Jack, had been on a rampage for several days, and last Sunday threatened the lives of the people residing in the Hot Creek district.

Jack disclaimed any knowledge of attempting to assault the Indian girl, and told the court this morning that he was always law-abiding.

## SILK MANUFACTURERS WANT PRETTY GIRLS

TOKIO, Feb. 2.—The organizers of the Silk Industrial exhibition to be held in America early this year are searching the silk mills of Japan for pretty girl operatives. The conditions demanded of the silk ladies were prime womanhood, robust health, a stature exceeding five feet, beauty, and last, though not least, intelligence and skill in giving a display of the different kinds of work.

It proved a difficult task to find girls that came up to the description, but after strenuous efforts, three were favorably reported upon and they are being trained for the exhibition.

The Gold Reef crowd are certainly a dandy bunch of boosters.

They are doing more real boosting for Tonopah and Divide and the whole mining game than any other set of men that we know.

They are going to operate the GOLD REEF on a bigger scale than ever. They have a big mine and they know it, and they are going to go strong.

Sinking of the shaft in the newly organized Belcher Divide Mining company has now reached a depth below the 400-foot level, according to Superintendent Scott Jameson, and the bottom of the shaft is now in the sulphides.
